This coupon entitles you to a free 2nd opinion sewer camera. If you have had another licensed contractor to your home and they cabled or snaked out your plumbing drains or they videoed your sewer system we offer a free 2nd opinion. We will come to your home and camera your sewer line at no charge and give you our honest upfront opinion as whether or not the line needs to be repaired, replaced or just cabled out better.

Merely show us that you had another contractor out to your home and that is all that it takes for this free service.

Must be presented at the time of service. No cash value. Cannot be combined with any other offer or discount.
